John O'Leary

Herb Kothe, Rubber Grand Champion from Boulder, has had a spectacular year. In addition to winning at Muncie in difficult windy conditions, he travelled to six major contests outside of his home state of Colorado, and won Jimmie Allen at all 6. At the FAC Nats at Geneseo, he won 6 out of 7 events. Herb has 7 Jimmie Allen airplanes, and his favorite is the Blue Bird.

Dwayne Taffs

Mike Salvador, Milltown NJ, and Al Taffs, Edmond OK, ended up in a tie and shared the honors for Glow Grand Champion. Mike flies mostly Lanzo Bombers, and Al is partial to Bombers and Playboys. Each of them flew other airplanes as well, and they flew in many events which didn't count towards the championship—a fine display of good sportsmanship.
