...Notes From The Right Seat

Our Annual Awards banquet has come and gone with pleasing success. The site at Holders in San Jose has become somewhat of a tradition, but the food and service were judged by everyone to be outstanding this year.

Organized by chairman, **Walt Gurney**, the logistics were well done, (everyone got a seat and a fine meal) including name badges for everyone who attended (except for visitor **Chip Buss**, who maintained that he was so well known that he didn't need 'no stinkin badge')

Included among the visitors from afar this year were SAM International President **Ed Hamler** and wife Ann, **Chip and Anna Buss** (sorry **Chip** - no pic of you and wife available) representing SAM 27 and **Miriam Schmidt** and part of her family.

A very memorable event took place after the Banquet which I am constrained to report here.

It was noted by attendees that **Jane Hoffstetter**, who was an invited guest, was absent and so, missed being presented her 'ladies gift'. To make sure she was OK and to see that she got her gift, current President **Dave Lewis**, and his wife **Pat** stopped by **Jane's** house **on their way home** to check on her (she was fine)

Is that going the extra mile, or what? Thanks Lewis's.

(See Pics on Page 5)

I wish I could avoid mentioning **Chip Buss** every other paragraph, but I got two E-mails from him recently,

- 1) A nice note saying he had a good time at the banquet, thanks to all, and;
- 2) To report that **Ed Sollenberger** who was stricken at the Crash and Bash, had been sent home from the hospital and is probably facing an extended recovery period. He may be up for visitors eventually. Check with **Chip** for the latest progress report.

Chip Buss <retiredandlumnit@gmail.com>

Thanks **Chip**...

THE SOUTHWEST REGIONALS at Eloy Arizona

had some of the best ever weather this year. But that came on the heels of a pretty miserable cold spell which may have spooked a few into not going. Still, that cold spell was nothing compared to what the folks back east have been enduring. SAM RC attendance was down slightly for several reasons: At least three regulars were known to have colds, flu or other respiratory ailments. Ed Hamler and Ned Nevels had spent the previous three day weekend representing SAM at the AMA expo in Ontario, so they had about exhausted their travel and motel allotment, and were ready to relax for a weekend.

You'll notice in the results that the face of RC is changing. There were more electric fliers and definitely more electric flights being put up than "real" engine powered flights.

A fair sized contingent of guys from New Mexico showed up, pretty much flying electric only. But fortunately we still have electric fliers who choose to also fly with engines.

There being a light schedule on the last day, we convinced Contest Director Bob **Angus** to get into the action and participate in a Brown Junior shootout., since there had been few fly-offs. The format was changed by agreement of all involved. Bob's son Walter was also there to attend to business anyway, so we usually get two CD's for the price of one.

The Saturday evening bonfire and barbecue was started earlier this year, to stay ahead of the evening chill. We were treated to a nice red sunset. Dick **Griswolds'** widow, Ann **Maly** once again was the main hostess for the steak and brisket cookout. Bob **Angus** supplied the brisket and Walter **Angus** assisted with any and all chores as needed. It's a special highlight for the SAM RC group and added a lot to the meet.
