MINUTES OF THE LAST MEETING

The April 2007 meeting of the Cloudclimbers was held at the home of Doug and Stella Petty. We had an excellent buffet, along with several rich desserts, after which we had a chilly meeting under the carport.

There were eight members in attendance. We were happy to see Raoul and Wes for the first time this year. Sharon started off Old Business by giving the Treasurer's Report. We have \$737.70 in the checking account. since the last report, we paid AMA Custom products \$237.00 in two orders for club T-shirts, and took in \$200.00 in cash sales. So we have the difference as inventory. Also under Old Business Vince told us that he delivered the meat and cheese Christmas basket to Mr. Simpson, and it was \$65.00 total. We had only given him \$60 in club funds, and Vince was kind enough to donate the rest. Also Carl reported we have a new 2007 AMA Club Charter and AMA insurance for the Sod Farm through April 2008.

The first issue of New Business was a request by several members for a new club roster. Bubby Betz, Al Gisevius and Bob Temple apparently have dropped from the club, and several contact numbers have changed. Bob Gourdon was in question, but Sharon received 2007 dues in the mail from Bob shortly after this meeting took place. Carl & Scott agree to work on a new roster together.

It was agreed that the next meeting would be at the Bakay's in May. (Due to a conflict with Classic Wakefield Club Contest the following week, the Bakay meeting was later moved to Saturday June 2).

With no other business, the meeting was adjourned.

HARBOR FREIGHT AND TWO-BIT RUBBER

The Cloudclimbers had a good turnout and a lot of fun on Saturday April 21. We had a combined Harbor Freight Electric and Two-Bit Rubber event, which started out windy in the morning, and contestants opted to risk losing their plastic pushers to the thermal gods, rather than their stick and tissue rubber models. Mike, Wesley, and Scott all had out-of-sight flights, and Carl lost his tractor model on a test flight. Mike Finnan won the event by 2 seconds over Wes Goostrey

We were lucky that the winds calmed down after lunch, and became light and variable. Tony flew an immaculate West Wind to First place, and Carl made six flights on a brand new FA Moth to get second, while Vince and Scott came in a close 3-4.

Plaque-mounted certificates were given out for First, and framed certificates for Second and Third places.
